French

PROFILE

I started in **web design and IT**, then moved behind the camera and never really left. Years in photo labs, studios and print shops taught me how an image travels from **shutter to screen to paper**.

Today I bring that whole chain to one client at a time: **shoot it, design it, print it, promote it**. My engineering studies help me pick up new software and equipment fast.

WORK EXPERIENCE

Photographer-Videographer, Graphic Designer, Content Creator & Social Media
Jun 2026 – present

Phoenix Art · Brașov · real estate

- Designed digital and large-format print materials (outdoor banners, posters, catalogues) in Photoshop and Illustrator, prepared for print with bleed, CMYK and correct resolution.
- Ran product and lifestyle photo and video shoots; edited short-form Reels and TikToks in CapCut to grow engagement.
- Managed Facebook, Instagram and TikTok with on-brand visuals and content concepts tailored to each platform.
- Set up, optimised and monitored paid campaigns on Meta Ads, Google Ads and TikTok Ads.

Graphic Designer
Jun 2019 – Mar 2026

DCI Romania · Brașov · media

- Edited, cut out and prepared digital files for online content.
- Created graphic elements for a wide range of projects.
- Handled several projects at once on strict deadlines, using Adobe Creative Suite.

UV Print Operator, Graphic Designer & DTP
Mar 2017 – May 2019

Sepmobile SRL · Brașov

- Printed graphic designs on the company's products, such as phone cases.
